Privacy policy

Version 0.1- On October 22, 2014 this page has been updated.

We are aware that you trust us. It is our responsibility to protect your privacy. On this page you can read which data we collect when you visit our website, why we collect these data and how we improve your experience using our website based on these data. So you will understand how we work.

This privacy policy applies to the services of www.deadclean.com. You must know that www.deadclean.com is not responsible for the privacy policy of other websites and other sources. By using our website you acknowledge to accept our privacy policy.

www.deadclean.com respects the privacy of all the visitors/users of its website and ensures that all personal information which you will give us will be dealt with in a strict confidential manner.

How we use the collected data

Our Services

When you order one of our services/products then we will ask for personal data like name, birthdate etc. These data will be used to execute your order. These data will be stored on a security server owned by www.deadclean.com or by a third party. We will not combine your personal data with other data.

Communication

When you send emails or other messages to us it will be possible that we will save these messages. Sometimes we will ask for your personal data when this is relevant. This enables us to answer your questions and requests. These data will be stored on a security server owned by www.deadclean.com or by a third party. We will not combine your personal data with other data.

Cookies

We collect data for research to get a better insight in our clients in order to tailor our services/products.
